The policies have been recently changed due to the Covid-19 Corona Virus, please ensure you read and understand that they are in place for our safety and your safety.

If you are feeling sick have a fever, cough, upset stomach, pink eye, nasal drip, chest congestion or heaviness or have traveled within the last 14 days (provincially or internationally) you will not be allowed to come into the shop and will have to call to reschedule your appointment.

YOU MUST WEAR A MASK! If you do not have one you may purchase either a paper mask for a \$1 or a reusable mask for \$10 at our store.

1. Please make sure you EAT before your appointment. This is crucial to your well-being as you must keep your blood pressure up to avoid feeling ill. At this time we are not allowing food or drinks in at the studio as you cannot remove your mask at any time. (If you need you may have snack or drink outside during the appointment if a break is necessary).

2. Artwork must be sent to us ASAP ! The artists draw up the stencils on their own time, usually before the appointment so we are able to get going as soon as you come in to avoid wasting your time and our time. Once artwork is dropped off or sent in please make sure you explain thoroughly about any details, changes, add ons...etc about the design. Tweaks can be made if you are not 100% happy with the design but if you change the whole idea or concept you will lose your deposit.. NO exceptions. As for viewing artwork, you may call or message us to request to view it 3 days before the appointment. The artist has up until the night before to send it to you and once you view the artwork that is the time you ask for tweaks or changes as if you don't you can't ask for it at the appointment. For simple tattoos (such as script, symbols, simple pinterest ideas ..etc) you may not see artwork until appointment date.

3. DEPOSITS ARE NON-REFUNDABLE & NON TRANSFERABLE ! Deposits are left to hold the appointment spot to ensure you show up and to pay for artists time and artwork incase of a no show or last minute cancellation. If there is an issue with this or there was a true emergency such as dying in a hospital, super shitty roads..etc (getting called into work is not an emergency) you will have to contact the artist directly as they are self employed and no one else can speak on behalf of them.

4. There is a 72 hour cancellation fee in effect unless you are ill, we can not allow you to receive a service if you are ill. * Note if you are booked in with Mike we ask for a weeks notice due to his busy schedule * If you need to reschedule you must give us 72 hours notice. You can only reschedule ONE TIME ! If you try to cancel again you will

lose your deposit, if you don't show up or you are late you will lose your deposit. If you need to call back to reschedule you have 90 days to get back to us if you do not get back to us within this time frame to re book you automatically lose your deposit. NO EXCEPTIONS!

5. MAKE SURE YOU DO NOT DO ANY OF THE FOLLOWING 72 HOURS PRIOR TO YOUR TATTOO: Drink alcohol, drugs, suntan (included tanning beds), not sleep the night before or anything else that will affect your well-being. If you have a sun burn and we can't tattoo you, you will lose your deposit.

6. Consider the following: Tanning beds and sun tanning will effect your tattoo negatively and will wreck it, You CANNOT go into lakes , pools, hot tubs, or oceans until your tattoo is fully healed.. meaning If you love summer or have a vacation coming up wait until after to get a tattoo. Certain places on the body we use more constantly than others.. such feet, legs, arms, hands..etc if your tattoo is a high risk area you must stay off of your feet or not using your arms to lift heavy materials as this stresses out your tattoo causing blur out of ink, scabbing..etc which will negatively effect your tattoo. Tattoos are for life so make sure you are committed to this or committed to spending money on lasering.

7. Please ensure you are on time for your appointment as we no longer have a waiting room and the artist will be ready for your appointment. We can not allow customers to come in at the same time so call if there is an issue with your time. If the artist is running behind we will call you, so ensure you leave a number we can get ahold of you as Occasionally artists may run behind on a tattoo sometimes due to inaccurate estimated time, late clients, client is feeling ill, having to tweak artwork, clients skin isn't taking ink easily...etc so we ask to be patient and respectful while waiting. For our out of town clients if the roads are dangerous or gross and you happen to be late give us a call and we will either re-book or try to figure out what works best.. so give us a call in the AM asap if there is such an issue with roads and time. (THIS DOES NOT INCLUDE SASKATOON RESIDENTS)

8. WE CAN NO LONGER allow anyone to come in and wait or be with you as we no longer have a waiting room. Minors can bring one parent with them at the time of the service AND NO EXCEPTIONS will be made.

9. Because you must be 18 + to sign for your tattoo and it is a legal document you are signing you must have a physical piece of Government Issued ID with you at the time of your appointment. We are sending out the release forms before the appointment and it is your responsibility to have it filled out before you come in (You can either have it printed off and ready to bring in or email it back to us.).
